THE PROGRAMME

Fuel for Schools is a school sponsorship programme aimed at supporting rural schools throughout New Zealand.

With over \$900,000 having been distributed back to Schools throughout the country this programme is having a direct benefit on many communities.

As a Southfuels customer you can nominate a participating school who will receive 50 cents for every 100 Litres of bulk fuel that you have delivered.

We accrue these funds and when a participating school has reached \$1000 through the programme they can choose to redeem the funds on either a technology or sports equipment package. It is that easy!

NOMINATING YOUR SCHOOL

When you sign up with Southfuels, just nominate one of the participating schools in your area.

If you are an existing Southfuels client and want to jump on board call your Account Manager or 0800 4 THE KIDS today to nominate a participating school.
